

NLSW116S

NHP NLINE Surface Switch, Small IP 66 Plastic, 1 Gang, 1 Pole
16A 250V AC

Component type	Switch disconnecter
Range	NLINE Weatherproof Switches
Model	N/A
Product status	Existing

NHP's NLINE weatherproof switches are available in two current ratings and 1, 2 or 3 gang arrangements for ultimate flexibility. The switch knobs are slip resistant and feature a raised centre for easy operation. A special gasket, together with stainless steel cover screws increases ingress protection. The body is made of UV-resistant polycarbonate to offer extended life in outdoor applications.

ELECTRICAL

Rated operating voltage Ue	250 V
Rated uninterrupted current Iu	16 A
Number of poles	1
M rating	M80
Rated operating voltage	250 V

CONSTRUCTION

Degree of protection (IP), front side	IP66
