Klaxon Siren Motor Driven 135dB IP55 415V AC

MOTOR DRIVEN SIRENS

Component type	Motor siren
Range	Sirens
Model	N/A
Product status	Existing

Klaxon Sirens are a powerful and reliable audible signalling solution for use in industrial applications. Designed for durability and to produce loud and clear warning signals, audible over long distances ensuring long-lasting performance. Options include frequency ranges, sound output levels, voltage options and housing materials, ideal for warning signalling in a range of applications.

ELECTRICAL	**Nominal voltage**	390-410 V
	Type of current	AC
	Electricity consumption	5 A
CONSTRUCTION	**Mounting method**	Surface mounting
	IP rating	IP55
	Colour housing	Grey
	Material housing	Aluminium
AUDIBILITY	**Loudness**	135 dB
	Frequency sound signal	475-475 Hz
