| Component type | Signalling device |
| Range          | LED Beacon        |
| Model          | N/A               |
| Product status | Existing          |

The Moflash range of LED Beacons are a highly efficient and durable visual signalling solution for industrial and commercial applications. LED technology ensures a bright output, visible from a distance with a wide choice of colours, sizes, outputs, configurations, voltages, mounting options and a variety of operation modes such as flashing or rotating.
